What is Charis Kids Conference Curriculum?

Dear Parent, Pastor, or Children's Ministry Leader,

Thank you so much for downloading the Charis Kid's Conference Curriculum! We are so excited to share this resource with you.

This curriculum was specially created for the Charis Kid's Rocky Mountain Adventure, which is the children's portion of our annual Charis Family Camp Meeting, where each year we explore God's Word through a fun, engaging camping theme. While originally designed for our Camp Meeting setting, we have created each lesson to be flexible and easy to adapt for any children's conference, Vacation Bible School (VBS), or other special services throughout the year.

Each year's curriculum includes:

- 5 interactive Bible lessons, designed with both Pre-K and Elementary age groups in mind

- A fun "Pop Quiz!" review section for each lesson to help reinforce key takeaways
- A kid friendly memory verse for you to use in classes and lessons.

Whether you are a parent leading your kids at home or a church leader ministering to a larger group, this curriculum is designed to share big life lessons through meaningful bible storytelling. We pray that it is a blessing to you and the children you serve.

And best of all — this curriculum is completely FREE! It is our gift to you as you help raise up the next generation of Jesus-followers.

Thank you again for your heart to pour into kids with the truth of God's Word. We are honored to be a small part of the journey with you.

Happy camping — and happy teaching!

With gratitude,
Charis Kids Ministry Team
